 To keep things simple, we are not going to give you the address. it's actually different than ours. Go figure.

Public Transit Directions:

From O' Hare, take Blue Line CTA trains in lower level to the Clark and Lake stop. It's a four-block walk from there, or can be done entirely under cover by transferring to brown line trains on the second level to the merchandise mart stop. Cross from Merchandise Mart to Mart Plaza via the walkway on the second floor.

From Midway, take Orange Line CTA trains to Clark and Lake stop. It's a 4 block walk from there, or can be done entirely under cover by transferring to Brown Line trains on second level to the Merchandise Mart stop. Cross from Merchandise Mart to Mart Plaza via walkway on the second floor.

Taxis are readily available from either airport and should run in the \$30-50 range.

A car is generally unnecessary within downtown Chicago as most things are within walking distance or a short taxi or CTA ride away.
